In-Kind contributions by the applicant are **not eligible** for match.

For further details, see “Match Requirements” and “Restrictions on Matching Funds” below.

MATCH REQUIREMENTS

- Match must be at least 1:1, or one applicant dollar for every one County dollar requested.

1. **Cash-on-Hand.** At least 25% of the match must be cash-on-hand (not merely pledged) and dedicated to the project before grant funding may be released. (Example: if match is \$1,000, at least \$250 must be cash-on-hand). Cash-on-hand may exceed 25% of the total match, but may never be less than 25% of the total match. Cash-on-hand may be documented by submitting a grant award confirmation, or an account statement that shows the availability of the cash, accompanied by board minutes or an executive director’s statement attesting to the approved use of those funds—free from restrictions, liens—are dedicated to the proposed project, or an award letter for a government appropriation.

2. **Irrevocable Pledges.** Irrevocable pledges of cash payment must be received and obligated by the end of the grant encumbrance period of 21 months). Pledges must be documented in the following manner:

- d) Intent of the donor for use of the funds must be confirmed to be specifically for the proposed project.

Only pledges that are auditable are acceptable.

No more than 50% of the total match may be irrevocable pledges and/or in-kind contributions.

- 1) date and description of expense
- 2) brief explanation of purpose of expense and how it relates to grant project

5. Land or building. Up to 10% of the value of the land or building specifically used for the grant project can be counted toward match. The land or building may be appraised for the purposes of the match. However, the cost of the appraisal may not be counted towards the match. Applicants may use an appraisal or the organizational audit or 990 to demonstrate the value of the land or building applied towards the match.

 - Donor/Company,
 - Contact information,

 - Must include any restrictions on the funding, such as: approval process, acknowledgement requirements, specific materials of value such as tickets, advertising space, etc.)
- A notice of intent to consider support for the project does not qualify as confirmed, but may be included to show potential or pending matching funds. Indicate these in the “unconfirmed” column on the Match Form.

The applicant’s recent financial statements (as submitted with the application) should support this availability of funds from Applicant Cash.

- Funding Request must be no greater than 50% of the total eligible budget costs for the project.

PROJECT TYPES ALLOWED

- **Acquisition** – land/building purchase
- **Construction** – a. New building (ground up building construction), or
b. building addition resulting in air conditioned square footage by 25% or more
- **Renovation** – repair, addition, or alteration of a building/property
- **Equipping** – outfit or return a property to a state of utility through replacement of capital fixtures and equipment; including fixtures, furnishings and equipment that will replace, increase or alter to enhance technology, make possible a greater capacity, or make more efficient use of the space.

No “bundling” of items. Proposal must be for one proposed project only. Trying to include more than one stand-alone project to make a bigger project for the proposal is discouraged. All elements of the project shall be integrated into the proposed project scope.

No multi-year requests. All new requests will be single-phase projects. Single Phase Projects are defined as those which will be completed within 21 months after grant funds are available.

CHANGES IN PROJECT SCOPE OR VENUE

Anything that substantially reduces the scope or character of the funded project is not allowed.

Organizations wishing to change the scope or venue of their project must submit a new application, in accordance with application guidelines and calendar, for a subsequent application cycle.

Any material changes in project scope or of a variance of 20% or more of total budget **or any one line item**, must receive approval by COCA *in advance* in order to receive further funding.

PROJECT EXTENSIONS

Grant period extensions may be requested by the applicant. An extension of the completion date must be requested at least 30 days prior to the end of the grant period. COCA may approve extensions not to exceed 120 days for any project unless the Grantee can clearly demonstrate extenuating circumstances.

An extenuating circumstance is one that is beyond the control of the Grantee, and one that prevents timely completion of the project, such as a natural disaster, death or serious illness of the individual responsible for the completion of the project, litigation related to the project, or failure of the contractor or architect to provide the services for which they were hired. An extenuating circumstance does not include failure to read or understand the administrative requirements of a grant, or failure to raise sufficient matching funds.

To request an extension, grantee must submit written request to COCA at the earliest possible date, or at least two (2) months in advance of the project end date. Request must include: project title and brief description, award amount, requested amount of time for extension (number of days/months) and explanation for extension request. The request must include any project scope changes and budget impact related to the extension.

The extension request will come before COCA for consideration. If approved, the grant is considered in “current” standing. The length of time awarded by the approved request extends the project grant period accordingly, and a contract amendment will be issued. If any follow-up information is requested, this becomes part of the grant requirements and must be completed to maintain current status.

LEASE AND LAND REQUIREMENTS

Applicant organizations must document ownership or undisturbed use as follows:

1. **Legal proof of unrestricted ownership of land and building.** Unrestricted shall mean unqualified ownership and power of disposition. Property that does not meet the unrestricted ownership criterion will not be eligible for match. Documentation may include a deed, title, or copy of a recent tax statement. Provisional sales contracts, binders, or letters of intent are not acceptable documentation of ownership.

OR

2. **Undisturbed use of property for a specific period of time.** This specific period of time must begin no later than the deadline date for the application in which funding is requested, and must continue for the minimum period of time required according to the Project Scope. For building renovation or construction, the remaining lease term must allow for a minimum of ten (10) years’ public access to the facility, under normal operating hours, beyond the completion date of the proposed project.

Documentation must include:

- an executed copy of a lease with applicant, and
- a written explanation of any easements, covenants, or other conditions affecting the use of the site or facility, or both.

***Important:** The length of the lease is measured from the remaining term as of the date of application. Provisional extensions to meet the minimum lease requirement are not acceptable. All original and executed lease extensions must be submitted with the application.

LEASE CHECKLIST

CHECKLIST FOR LEASE

THE FOLLOWING CHECKLIST WILL INDICATE THAT THE AUDITORIUM OR MUSEUM IS ELIGIBLE TO APPLY FOR THESE FUNDS IF ALL THE ITEMS BELOW ARE TRUE.

- The underlying fee simple ownership will be by a government entity, who will be the Landlord under the Lease.
- The Lease may provide a right to the Tenant to construct improvements, but for said constructed improvements and other improvements on the property, they cannot be materially modified without the approval of the Landlord. The Lease may authorize the Tenant to apply for TDT Dollars to be used for improvements and other authorized project-specific expenditures under the TDT guidelines.
- The Tenant must maintain in all respects the improvements and deliver them to the Landlord at the end of the Lease in the same condition as when constructed, reasonable wear and tear accepted.
- If the Tenant is dissolved, that will constitute a default under the Lease and terminate the Lease with any improvements reverting back to the Landlord.
- During the term of the Lease, the Tenant may show the value of the improvements on its books, with a note that upon termination, those improvements revert to the Landlord.
- The use by the Tenant for the property and improvements must be agreed upon and will be restricted to a cultural facility use (see “Definitions and Terms”). Tenant may not assign its rights under the Lease without Landlord's approval and the use may not change without Landlord's approval.

**CHECKLIST FOR SUBLEASE FROM GOVERNMENT ENTITY
THAT IN TURN IS LEASING FROM A PRIVATE SOURCE**

When a museum or auditorium building is owned by a not-for-profit organization but situated on land owned by a private source that is leasing to a government entity that is subleasing to the applicant not-for-profit ...

- The term of all Leases and subleases must be for a required number of years, at least equal to the useful life of any improvements to be constructed by the Tenant.
- Language in the Lease Agreement that assures us that auditorium or museum usage will remain for the length of the lease.
- Language in the lease that states that the government entity will become responsible for maintaining the auditorium or museum should the nonprofit default on the lease.

For Acquisitions only

Acquisition applicants will be considered exempt from this ownership eligibility requirement. If the application is for an acquisition, the applicant must provide a description of the facility, purchase price, and a letter of intent to sell signed by the seller. The purchase of (closing on) the property or facility (an expense) may not take place prior to the execution of the Grant Award Agreement.

ADMINISTRATIVE AND REPORTING REQUIREMENTS

If a grant is awarded, recipients shall enter into a contractual grant award agreement with COCA which specifies the applicant's responsibilities. The applicant shall comply with the administrative and accounting requirements set forth in the grant award agreement, which include but are not limited to:

1. Submission of interim reports at six-month intervals (at a minimum) and a final grant report.
2. The Grantee shall maintain an accounting system that provides for a complete record of the use of all grant and matching funds, including:
 - (a) Establish an accounting system that records project expenditures by using the same expense categories as those in the original application.
 - (b) All project documentation must be kept current, and accessible to COCA or Leon County, upon request, and retained for a period of five (5) years after the project and grant reporting requirements have been completed.

ENCUMBRANCES AND EXPENDITURES

Grant recipients must encumber (commit or contract for) all County dollars for the length of the grant period. Grant funds may not be encumbered or expended prior to the signing of the Grant Award Agreement by all parties.

FUNDING ACKNOWLEDGEMENT

For projects funded wholly or in part by this grant, Applicant organizations must acknowledge COCA and Leon County in signage and media, including digital communications and websites and programs, publications and other printed materials.

Acknowledgment will include the County's, and COCA's logo **and** use of the following statement, as best suited to the collateral design, and at a size that is legible.

Verbiage for acknowledgment is as follows: "This project is funded in part by Leon County Government through the Council on Culture & Arts."

Requests for exceptions to the verbiage or logo compliance may be approved if noticed to COCA in advance of publication deadline.

Acknowledgement to COCA and Leon County must be commensurate with the recognition provided to other contributors and sponsors of the project in any of the following applications:

- a. On a permanent sign constructed on the project site;
- b. On a temporary signage displayed at the construction site; and
- c. In all major publications, printed and digital media

INDEMNITY, SAFETY AND INSURANCE REQUIREMENTS

Indemnity. To the fullest extent permitted by law, applicant will defend, indemnify and hold harmless COCA and Leon County from and against all claims, damages, losses and expenditures, including reasonable attorneys' fees and costs, arising out of or resulting from its activities under the Agreement.

Safety. Applicant will comply, and will require its contractors (if any) to comply, with all applicable laws, ordinances, rules, regulations, standards and lawful orders from authorities bearing on the safety of persons or property or their protection from damage, injury or loss.

Insurance. Applicant shall provide and maintain insurance coverage throughout the term of the contract, or until the completion of the proposed project, whichever is sooner, of such types and in such amounts as may be necessary to protect against misappropriation of the Program funding and damage to or destruction of the improvements purchased or constructed with said funding. Applicant or insuring agent will provide certificates of insurance evidencing said coverage, according to the following requirements:

a. Applicant will have in force the following insurance coverage and will provide Certificates of Insurance to COCA prior to commencing project under the Agreement to verify such coverage. It shall be the responsibility of the Applicant to ensure that all its contractors and subcontractors procure and maintain the insurance coverage outlined below for the duration of the project, unless noted otherwise.

i. **Commercial General Liability** - Applicant will provide coverage for all operations including, but not limited to, Contractual, Products and Completed Operations, and Personal Injury. The limits will not be less than \$1,000,000 Combined Single Limit (CSL) bodily injury and property damage, or its equivalent. The insurance policy will list COCA and Leon County as an additional insured, with respect to the Commercial General Liability insurance.

ii. **Commercial Automobile Liability** – Applicant will provide coverage for all owned, non-owned and hired vehicles directly related to the grant project for limits of not less than \$500,000 Combined Single Limit (CSL) bodily injury and property damage, or its equivalent.

iii. **Workers' Compensation**, if applicable – Applicant will provide coverage for all employees at the site location and, in case any work is subcontracted, will require the subcontractor to provide Workers' Compensation for all its employees. Coverage is required in accordance with State of Florida statutory requirements.

iv. **Employee Dishonesty/Crime Insurance** – Applicant will provide coverage greater than or equal to sixty-five percent (65%) of the amount of the Cultural Facilities Program grant award.

v. **Payment and Performance Bonds** – The contractor shall execute payment and performance bonds in amounts at least equal to the *current project phase amount* (total amount of the proposed project, not including prior expenditures toward the project, nor is it mandated to cover soft costs, which typically include design, engineering, permitting (DE&P) and project administration) in such form and with such sureties as may be acceptable to the Applicant and

COCA. If the surety on any bond furnished by the contractor is declared bankrupt or becomes insolvent or its rights to do business in the State of Florida are terminated, or it ceases to meet the requirements imposed by this agreement, the contractor shall within five (5) business days thereafter substitute another bond and surety, both of which shall be acceptable to the Applicant and COCA. The bonds must remain active throughout all current work related to the proposed project.

NOTE: If an applicant/grantee's project is limited to new equipment installations, a builders' risk or installation floater (inland marine coverage) is acceptable, with the caveat that the policy must include coverage for any damage done to the existing structure caused by the new installation.

vi. **Builders' Risk/Installation Floater** – The contractor shall provide “all risk” property insurance on any construction, additions, and machinery and equipment. The amount of the insurance shall be no less than the estimated replacement value at the time of applicant's final acceptance of said improvements. In the event that the grantee does not work with a contractor on the funded project, the organization must purchase or add Builders' Risk to their current property program (Commercial General Liability). This is a cost that would have to be incorporated into the grant request. The Builders Risk policy must remain active throughout all current work related to the proposed project and must not terminate until the final acceptance of a contractor's work, all vendors' installations, final release of occupancy, and final acceptance at completion of the project has been made by the applicant.

vii. The insurance coverage shall contain a provision that forbids any cancellation, changes or material alterations in the coverage without providing 30 days written notice to COCA, or 10 days for nonpayment. (These terms are no longer provided on the ACORD standard industry Certificates of Insurance Cancellation, but shall be included in the policy provisions.)

b. Any exceptions to the insurance requirements in this section must be requested in writing by the applicant and approved by COCA. Such a request should include reasons why the applicant is unable or unduly burdened by the requirement it desires reduced or waived.

c. Compliance with these insurance requirements shall not relieve or limit the applicant's liabilities and obligations under this Agreement. Failure of COCA to demand such certificate or other evidence of full compliance with these insurance requirements or failure of COCA to identify a deficiency from evidence provided will not be construed as a waiver of the applicant's obligation to maintain such insurance.

Project Team and Management - Cultural Facilities Funding projects require very specific usage and project management oversight, and frequently necessitate a contractor, or project manager. In the event that a contractor will not be engaged for the project management, it becomes even more critical to provide roles and responsibilities for the project team, organization staff, and Board of Directors, with regard to the project management.

Financial Statements will be required as part of the application. The following chart shows the financial statements required based on the applicants operating budget (unrestricted operating revenue) for most recently completed fiscal year. PANEL MEETING

An independent panel will meet to discuss the applications and ask questions of applicants, if requested. The grant review panel will be assigned and supported by COCA. Applicants will be invited to attend the meeting to answer questions from the panel. No presentations or updates from applicants will be allowed at the panel meeting. After panel discussion at the public panel meeting, each panelist will finalize their scores and submit them for final data entry and ranking. Panel will hold consensus discussion on final scores, ranking, and funding recommendations.

SCORING, RANKING, AND FUNDING

Scoring. The total possible number of points for a grant application is 105. The grant panel's evaluation will be based on the information contained in the application and required attachments. The panel members' individual ratings will be averaged to determine a final score for each application. Applications receiving a score of 75 or higher will be considered for funding.

Bonus Points will be added to the applicant's average score based on the length of the applicant's length of operation. Such length and points shall be determined from the date of incorporation to the date of the application deadline, according to the following rubric:

10 to 15 years – 2 points

15 to 20 years – 3 points

More than 20 years – 5 points

Scoring will be Olympic-style, meaning that the high and low score will be dropped and the remaining scores will be averaged together. Scores will be calculated to the thousandths of a point (example: 85.437). For funding consideration, a final score of 75 or greater is required.

Ranking. A priority list is determined by the rank order of all proposed projects based on the Olympic average score of each application. The number of applicants funded will depend on the amount of the funding pool available, awarding funding to the highest scoring applications, until the pool is depleted. Any remaining partial request amount will be taken into consideration by the panel as they decide the funding recommendation by consensus.

Final approval of ranking and funding recommendations. COCA's Board of Directors and Leon County's Tourist Development Council (TDC) reviews and approves the funding recommendations of the grant panel.

The grant panel will have the flexibility to offer partial funding but not less than 80% of the applicant's request. However, the goal of the program is to fully fund organizations' requests.
