Purpose:

The COCA Cultural Tourism Marketing Grant will help to showcase our area's arts, cultural, and heritage programming and will highlight our vibrant and diverse cultural community. COCA is committed to the concept of *#theARTSlivehere*, promoting the spectrum of programming offered to our local arts community, for residents and tourists alike.

The goal of the Cultural Tourism Marketing Grant Program is to increase the visibility and awareness of arts and cultural organizations in Leon County and to positively impact tourism revenues. Applicants should develop, implement, and evaluate marketing and promotional initiatives to effectively attract travel and tourism to Leon County so visitors, as well as residents, can engage in arts and cultural presentations and activities.

How will applications be scored? How will funding be awarded?

A panel of 3 volunteer panelists will independently review and score each application.

Applications will be evaluated on a series of criteria (see rubric below).

Applications will be ranked according to the total average of panelist scores. Funding will be disbursed according to ranked score.

What is the scoring rubric?

The following criteria will be used to evaluate grant applications.

1. Completeness, and excellence of marketing grant proposal 20%
2. Proposal will enhance the organization's marketing efforts and mission 20%
3. Event, venue or program represents and helps to promote Leon County as a desirable tourist destination 20%
4. Organization has an effective plan to track results of marketing efforts through audience surveys and/or other methods 20%
5. Organization has a strong and effective marketing plan 20%

Applicants will receive a score of 1 (poor) – 5 (excellent) in each of the categories described above. Each of the panelist's scores will be averaged together to produce the final, ranked score which an applicant receives. The highest possible score an applicant can receive is 25.

How will funding be allocated?

Applicants will be recommended for funding based on their score.

Applicants can receive a maximum score of 25.

Below is the funding formula used to determine the recommended maximum funding for requests. Keep in mind, these formulas are guidelines, not guarantees. They may require adjustment at the discretion of COCA's Board of Directors in response to changes such as local government funding of the grant program.

Applicants who receive an average score of 20-25 will be recommended for 100% funding.

An average score of 15-19 will be recommended for 90% funding.

An average score of 10-14 will be recommended for 85% funding.

Applications which receive an average score below 10 will not be recommended for funding.

Available funding will awarded beginning with the highest average score and continue, from highest to lowest average score, until it is no longer possible to fund the next highest-scoring proposal at the formula level due to exhaustion of funds. The remaining funds will be allocated to the next highest scoring proposal. (If this amount is insufficient to carry out the proposal, the applicant may decline the funding, and the remaining funds will be given to the next applicant on the ranked list of funding proposals).

In the case of a tied score, the organizations with identical scores will be awarded the full amount of their recommended funding until all available funding runs out. In the case of a tie when available funding runs out, then the organizations with an identical score will share the remaining funds evenly.

What happens after your grant request is approved?

Once COCA has received the signed agreement from the applicant, processing of the grant award begins. The award is paid out in one, single installment after receipt of the signed grant

agreement. The tentative date for release of marketing grant funds is approximately November 20-30, 2018.

Final Report: The grantee is required to submit a Final Report summarizing the completed project and detailing the use of the grant funds. For each expense, copies of invoices or receipts and cancelled checks are required as documentation for the grant amount spent.

Appeals

Any applicant wishing to appeal the outcome of panelist funding recommendations may file a letter of appeal within 72 hours of final notification of the grant awards. Please limit the appeal request to a two-page letter and must include documented evidence that your request was denied based on gross misconduct, error, or misinterpretation. Appeals will be reviewed by COCA's Board of Directors. In addition, suggestions regarding the grant program's policies and guidelines are welcomed year round. The grant program is reviewed annually with collaboration of a public task force and all applicants are encouraged to participate in the process.
