Purpose

The Cultural Tourism Marketing Grant Program is designed to increase the visibility and awareness of arts and cultural organizations and their programming in Leon County. Marketing initiatives should highlight our vibrant and diverse cultural community and attract visitors as part of an overall promotional plan.

Marketing and promotional initiatives should use media outlets and strategies that are not primarily focused on the local Tallahassee/Leon County market and should raise the overall awareness of Leon County as a branded destination.

Applicants must establish quantifiable objectives and conduct a program evaluation to assess the effectiveness of the program.

How will applications be scored? How will funding be awarded?
A panel of 3 volunteer marketing professionals will independently review and score each application.
Applications will be evaluated on a series of criteria (see rubric below).
Applications will be ranked according to the total average of panelist scores. Funding will be disbursed according to ranked score.

What is the scoring rubric?
The following criteria will be used to evaluate grant applications:

1. Completeness and excellence of marketing grant proposal 20%
2. Proposal will enhance the organization’s marketing efforts and mission 20%
3. Event, venue or program represents and helps promote Leon County as a desirable tourist destination 20%
4. Organization has an effective plan to track results of marketing efforts through audience surveys and/or other methods 20%
5. Organization has a strong and effective marketing plan 20%

Applicants will receive a score of 1 (poor) – 5 (excellent) in each of the categories described above. Each of the panelist’s scores will be averaged together to produce the final, ranked score which an applicant receives. The highest possible score an applicant can receive is 25.
How will funding be allocated?
Applicants will be recommended for funding based on their score.

Below is the funding formula used to determine the recommended maximum funding for requests. These formulas are guidelines, not guarantees and may require adjustment at the discretion of COCA’s Board of Directors in response to changes such as local government funding of the grant program.

- Applicants who receive an average score of 20-25 will be recommended for 100% funding.
- An average score of 15-19 will be recommended for 90% funding.
- An average score of 10-14 will be recommended for 85% funding.
- Applications which receive an average score below 10 will not be recommended for funding.

Available funding will be awarded beginning with the highest average score and continue, from highest to lowest average score, until it is no longer possible to fund the next highest-scoring proposal at the formula level due to exhaustion of funds. The remaining funds will be allocated to the next highest scoring proposal. (If this amount is insufficient to carry out the proposal, the applicant may decline the funding, and the remaining funds will be given to the next applicant on the ranked list of funding proposals).

In the case of a tied score, the organizations with identical scores will be awarded the full amount of their recommended funding until all available funding runs out. In the case of a tie when available funding runs out, then the organizations with an identical score will share the remaining funds evenly.

What happens after your grant request is approved?
Once COCA has received the signed agreement from the applicant, processing of the grant award begins. The award is paid out in one, single installment after receipt of the signed grant agreement.

Final Report
The grantee is required to submit a Final Report, due by 5 PM on August 31, 2020, summarizing the completed project and detailing the use of the grant funds. Please refer to details in the “How Do I Apply” Section.
Request for Reconsideration

Any applicant wishing to request reconsideration of its quality, technical, and/or combined score must submit a written and signed request for reconsideration to the COCA Board of Directors within 72 hours (3 business days) after the verified scores are announced via email by COCA Staff.

Such requests for reconsideration will be forwarded by the Chair of COCA’s Board of Directors to the full panel, which will review the request(s) and announce its final, unappealable decision at a public meeting within approximately seven (7) days, but no more than fourteen (14) days, following the submission of the request.

In addition, suggestions regarding the grant program’s policies and guidelines are welcomed year-round. The grant program is reviewed annually with the collaboration of a public task force and all applicants are encouraged to participate in the process.
